

Is your library
ready to play?

HF INDUSTRIES
Make Your Move

Play is fundamental to a child's intellectual, social, emotional and physical development. A play space is a safe and familiar space. When at play, children feel more in control and confident. In a 'play-state', children are in the moment and fully able to explore, grasp, experience and absorb. Through play, children learn problem solving, interpersonal skills, communication, and acquire the foundational 'general-knowledge' required to becoming successful readers.

PLAY ACTIVITY TOOLS

To Help Develop Early Literacy Skills

Play Activities

Moving Images Flip-Flop Blocks

sst-253

18" (45cm) wide x 27.5" (70cm) high

Holographic images of twelve different animals jump into motion as the child rotates the blocks. The child is tasked with matching the correct name of the animal on the adjacent block, helping to develop word recognition and visual mapping.

Targeted Reading Skills:

- print awareness
- vocabulary
- phonological awareness

Rhyming Words Sorter

ra-3843W | 17" (43cm) Diameter

Constructing simple C-V-C words. Children are prompted to sort the various C-V-C image discs into the V-C letter family grouping chamber.

Targeted Reading Skills:

- letter knowledge
- print awareness
- vocabulary

Letter Sounds Sorter

ra-1060W | 24" (60cm) Diameter

"What does this letter sound like?" Spin the wheel to find the hidden image-object that starts with the sound of the selected letter. The image-object is both a printed word and an image of the object to reinforce letter and word recognition.

Targeted Reading Skills:

- phonological awareness
- letter knowledge
- print awareness

Colors and Shapes Matching Blocks

sst-257

18" (45cm) wide x 27.5" (70cm) high

Colors on one side, shapes on the other. Children learn their colors and shapes by mapping the word to the correct image.

Targeted Reading Skills:

- print awareness
- vocabulary
- phonological awareness

1-2-3 Under the Sea

aw-28

18" (45cm) wide x 27.5" (70cm) high

A fishy story about ones, twos and threes! Children interact with balls in a track, positioning the correct number of them to corresponding images, to help learn the basics of counting.

Targeted Reading Skills:

- narrative skills
- vocabulary
- print awareness
- letter knowledge

Nature Reveal

ra-4043w | 17" (43cm) diameter

'The Caterpillar turns into the ...'

Beads travel from one chamber into another as the child spins the wheel, to reveal images in each chamber.

Targeted Reading Skills:

- narrative skills
- print awareness
- phonological awareness

Land the Airplane Wobbly Pod

sst-302 | 22" (56cm) tall.

The play table top is 24" (60cm) in diameter.

Wobbly Pods are a great 'game of skill' to be included in any Kid's Corner. Intended for 'Kids of all ages', children tip, twist and turn the table top to guide the balls into their proper destinations. Wobbly Pod games help children to develop concentration and fine motor skills.

Targeted Reading Skills:

- print awareness
- letter knowledge

Alphabet Tree

sst-255 | 32" (80cm) wide x 48" (120cm) high

A great activity to encourage storytelling and imaginary play. Children are asked to move the letter-spindles through tracks and turn-stations to spell the animal names printed on this activity.

Targeted Reading Skills:

- narrative skills
- vocabulary
- print awareness
- letter knowledge

Free Standing Panel Systems

Auntie Reta's Farm

sst-245

Perfect for those areas with little wall space, Auntie Reta's Farm is a complete modular panel system providing multiple play opportunities on either side. Shipped as components with hardware and assembly instructions, Auntie Reta's Farm panel system comes with five play activity components.

"The system is absolutely fabulous. The quality of the product is exceptional. I love the design and the name. It fits very well the way it is put together with a modest imprint especially since we are so limited for space."

Margaret Mau – CEO Pembroke Public Library / Pembroke ON

HF INDUSTRIES
Make Your Move

61" (155cm) tall
54 3/4" (139cm) deep
55" (140cm) wide

I Can Tell A Story Barn

Integral to Auntie Reta's Farm System, children construct rudimentary sentences, and create their own stories by turning the image wheels to display various illustrations of objects. Objects on the image wheels are accompanied with its corresponding word, helping to develop word recognition and visual mapping.

Targeted Reading Skills:

- narrative skills
- vocabulary
- print awareness

'Play with Your Child'

fp-9520

This sign is a gentle reminder to parents that they play a very important role in their child's early literacy development.

Keebee Multi-cube

Multi-Cube

sst-350

22.5" (57cm) square x 33.5" (85cm) high

Fit's in anywhere!

Takes up little space and provides great play value. Choose four Play Activity Items.

We Make Play Fit!

Creating 'family-smart' environments need not be complicated or expensive.

Our wide variety of innovative play gear, unique touch-screen interactives, graphic treatments and commercial grade furnishings make it easy to create safe and compelling child-friendly play spaces.

Dependable. Commercial-Grade.

Designed and manufactured in North America, durable Keebee Play products are able to withstand the rigors of children playing in public spaces.

Easily Cleaned and Disinfected.

No seams or crevices. No fabric or plush surfaces. Resilient Keebee coatings are able to withstand constant cleaning with industrial strength disinfectants and contain anti-microbial additives.

Safe, and Safety Tested.

USA – Compliant to CPSIA 2008/ 16CFR/ ASTM F963 Canada – Compliant to CRC. c931
